

## Optibet is named best online casino in the Baltics 2019

Enlabs brand Optibet is named Baltics best online casino by Mare Balticum Gaming Summit (MBGS) 2019. MBGS gathers companies, authorities and stakeholders within the online gaming industry on an annual basis to exchange experiences and highlight good examples in the Baltics and Scandinavia.

"The fact that Optibet is named the best online casino in the Baltics 2019 is incredibly satisfying after the work we do with putting the customer first and offering a best-in-class casino experience. It's also a strong signal towards our game suppliers that Enlabs is a partner they can depend on when it comes to launching new content in the region. We have exciting plans for further improving our product offering in the region and winning this award gives us confidence in our chosen strategy." says Miko Salo, Chief Commercial Officer at Enlabs.
